## School Year 2023-24 Calendar

Welcome to the new school year! You can view and download printable files of the calendar for the full 2023-24 school year in multiple languages and see important upcoming dates such as parent-teacher conferences and days when schools may be closed at [schools.nyc.gov/calendar](https://schools.nyc.gov/calendar). Please note:

- On days when school buildings are closed due to severe weather or other emergency conditions, all students and families should plan to participate in remote learning.
- Under New York State law, public holidays (also referred to as legal or federal holidays) that fall on a Saturday are not observed on a weekday; where such holidays fall on a Sunday, they will be observed on the following Monday. Per New York City Public Schools' policy, when non-public holidays fall on a weekend, schools remain open on the weekdays immediately preceding or following that holiday.

The following are non-public holidays observed by NYC Public Schools: Rosh Hashanah, Yom Kippur, Election Day, Diwali, the day after Thanksgiving, Christmas Eve, New Year's Eve, Lunar New Year, Good Friday, Eid al-Fitr, Passover (first two days), and Eid al-Adha.

This year, schools will remain open on the weekdays immediately preceding or following the non-public holidays noted, which fall on weekends during the 2023-24 school year: Rosh Hashanah (September 16–17), Veteran's Day (November 11), Diwali (November 12), and Lunar New Year (February 10).

Please reach out to your school with any questions about the school calendar. To assist with future planning, calendars for the 2024-25 and 2025-26 school years are also available on our website.

## Parent-Teacher Conferences

**Parent-teacher conferences (PTCs)** are a great opportunity to speak directly with teachers about your child's academic and social-emotional development and how you can support their growth outside the classroom. PTCs will be conducted remotely throughout the 2023–24 school year, though they can occur in-person upon request. Translation and interpretation services are also available—please let your child's school know if you need services.

### **Upcoming PTCs:**

- **Thursday, November 2:** Afternoon and Evening conferences for elementary schools.
- **Thursday, November 9:** Afternoon and evening conferences for middle schools and D-75 schools.
- **Thursday, November 16:** Evening PTCs for high school students, K–12, and 6–12 schools.
- **Friday, November 17:** Afternoon PTCs for high schools, K–12, and 6–12 schools.

To prepare for your PTC, ask your child some questions about their school experiences so that you can have a more informed discussion with their teachers. Here are some suggestions:

- How do you feel about school now? Do you have any questions or concerns that you'd like to talk to your teachers about?
- What are your favorite subjects in school right now? What's your least favorite?
- What do you think about your teacher? Do you feel supported and welcome in your classroom?
