

Become a certified Parent Member

Support families with the IEP process for students with disabilities in NYC Public Schools!

Parent Members receive training and go through a certification process so they can assist and support other parents at IEP meetings, when requested.

We will support you every step of the way and ensure you are paid for your contribution.

*Eligibility Requirements

- Your child has been classified with a disability or was declassified within the past five years;
 - Your child is attending school or has graduated in the past five years; and
 - You are not a DOE employee.
